

# What's up? I'm Alek

## Welcome to **Project Belvedere**,

the end goal here is to get you an **internship for this summer**.

### A little background:

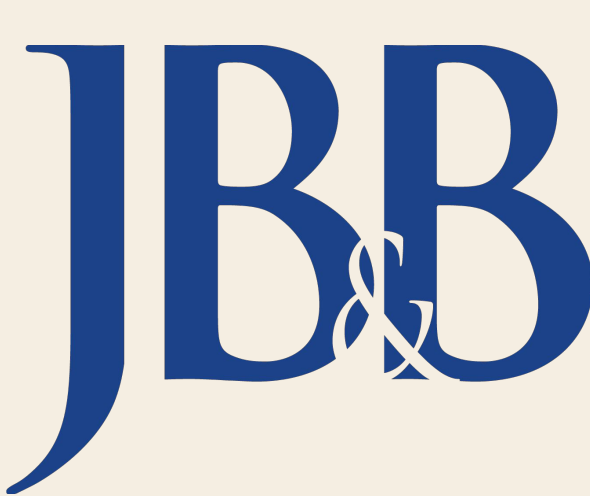

I'm a senior MechE @ Cooper. And when I was a freshman, I managed to secure a paid NYC internship for my first summer, and I'll make sure that you do too.

### My Summer Internship of 2022

I interned at a company called Jaros, Baum & Bolles (JB&B). JB&B is a NYC based HVAC company, and it was a great first internship experience for me (great resume piece too).

### **But How Did I Secure This Internship???**

### January 2022 (4 months before)

Flashback to 4 months before that summer, and I was networking with a bunch of cooper alum, one of which I connected with on LinkedIn.

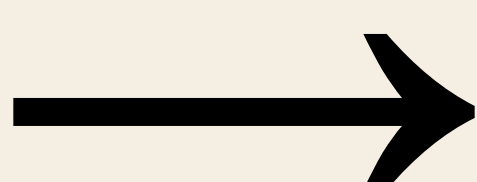

**Walter Mehl** 1st

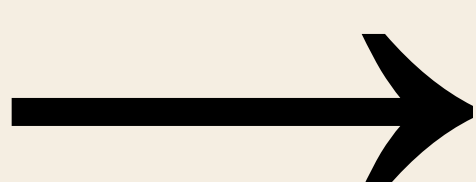

Managing Partner at Jaros, Baum & Bolles

Meet Walter Mehl, A MechE Cooper alum ('87), And managing partner at JB&B.

First I connected on LinkedIn

Then, I sent him an email

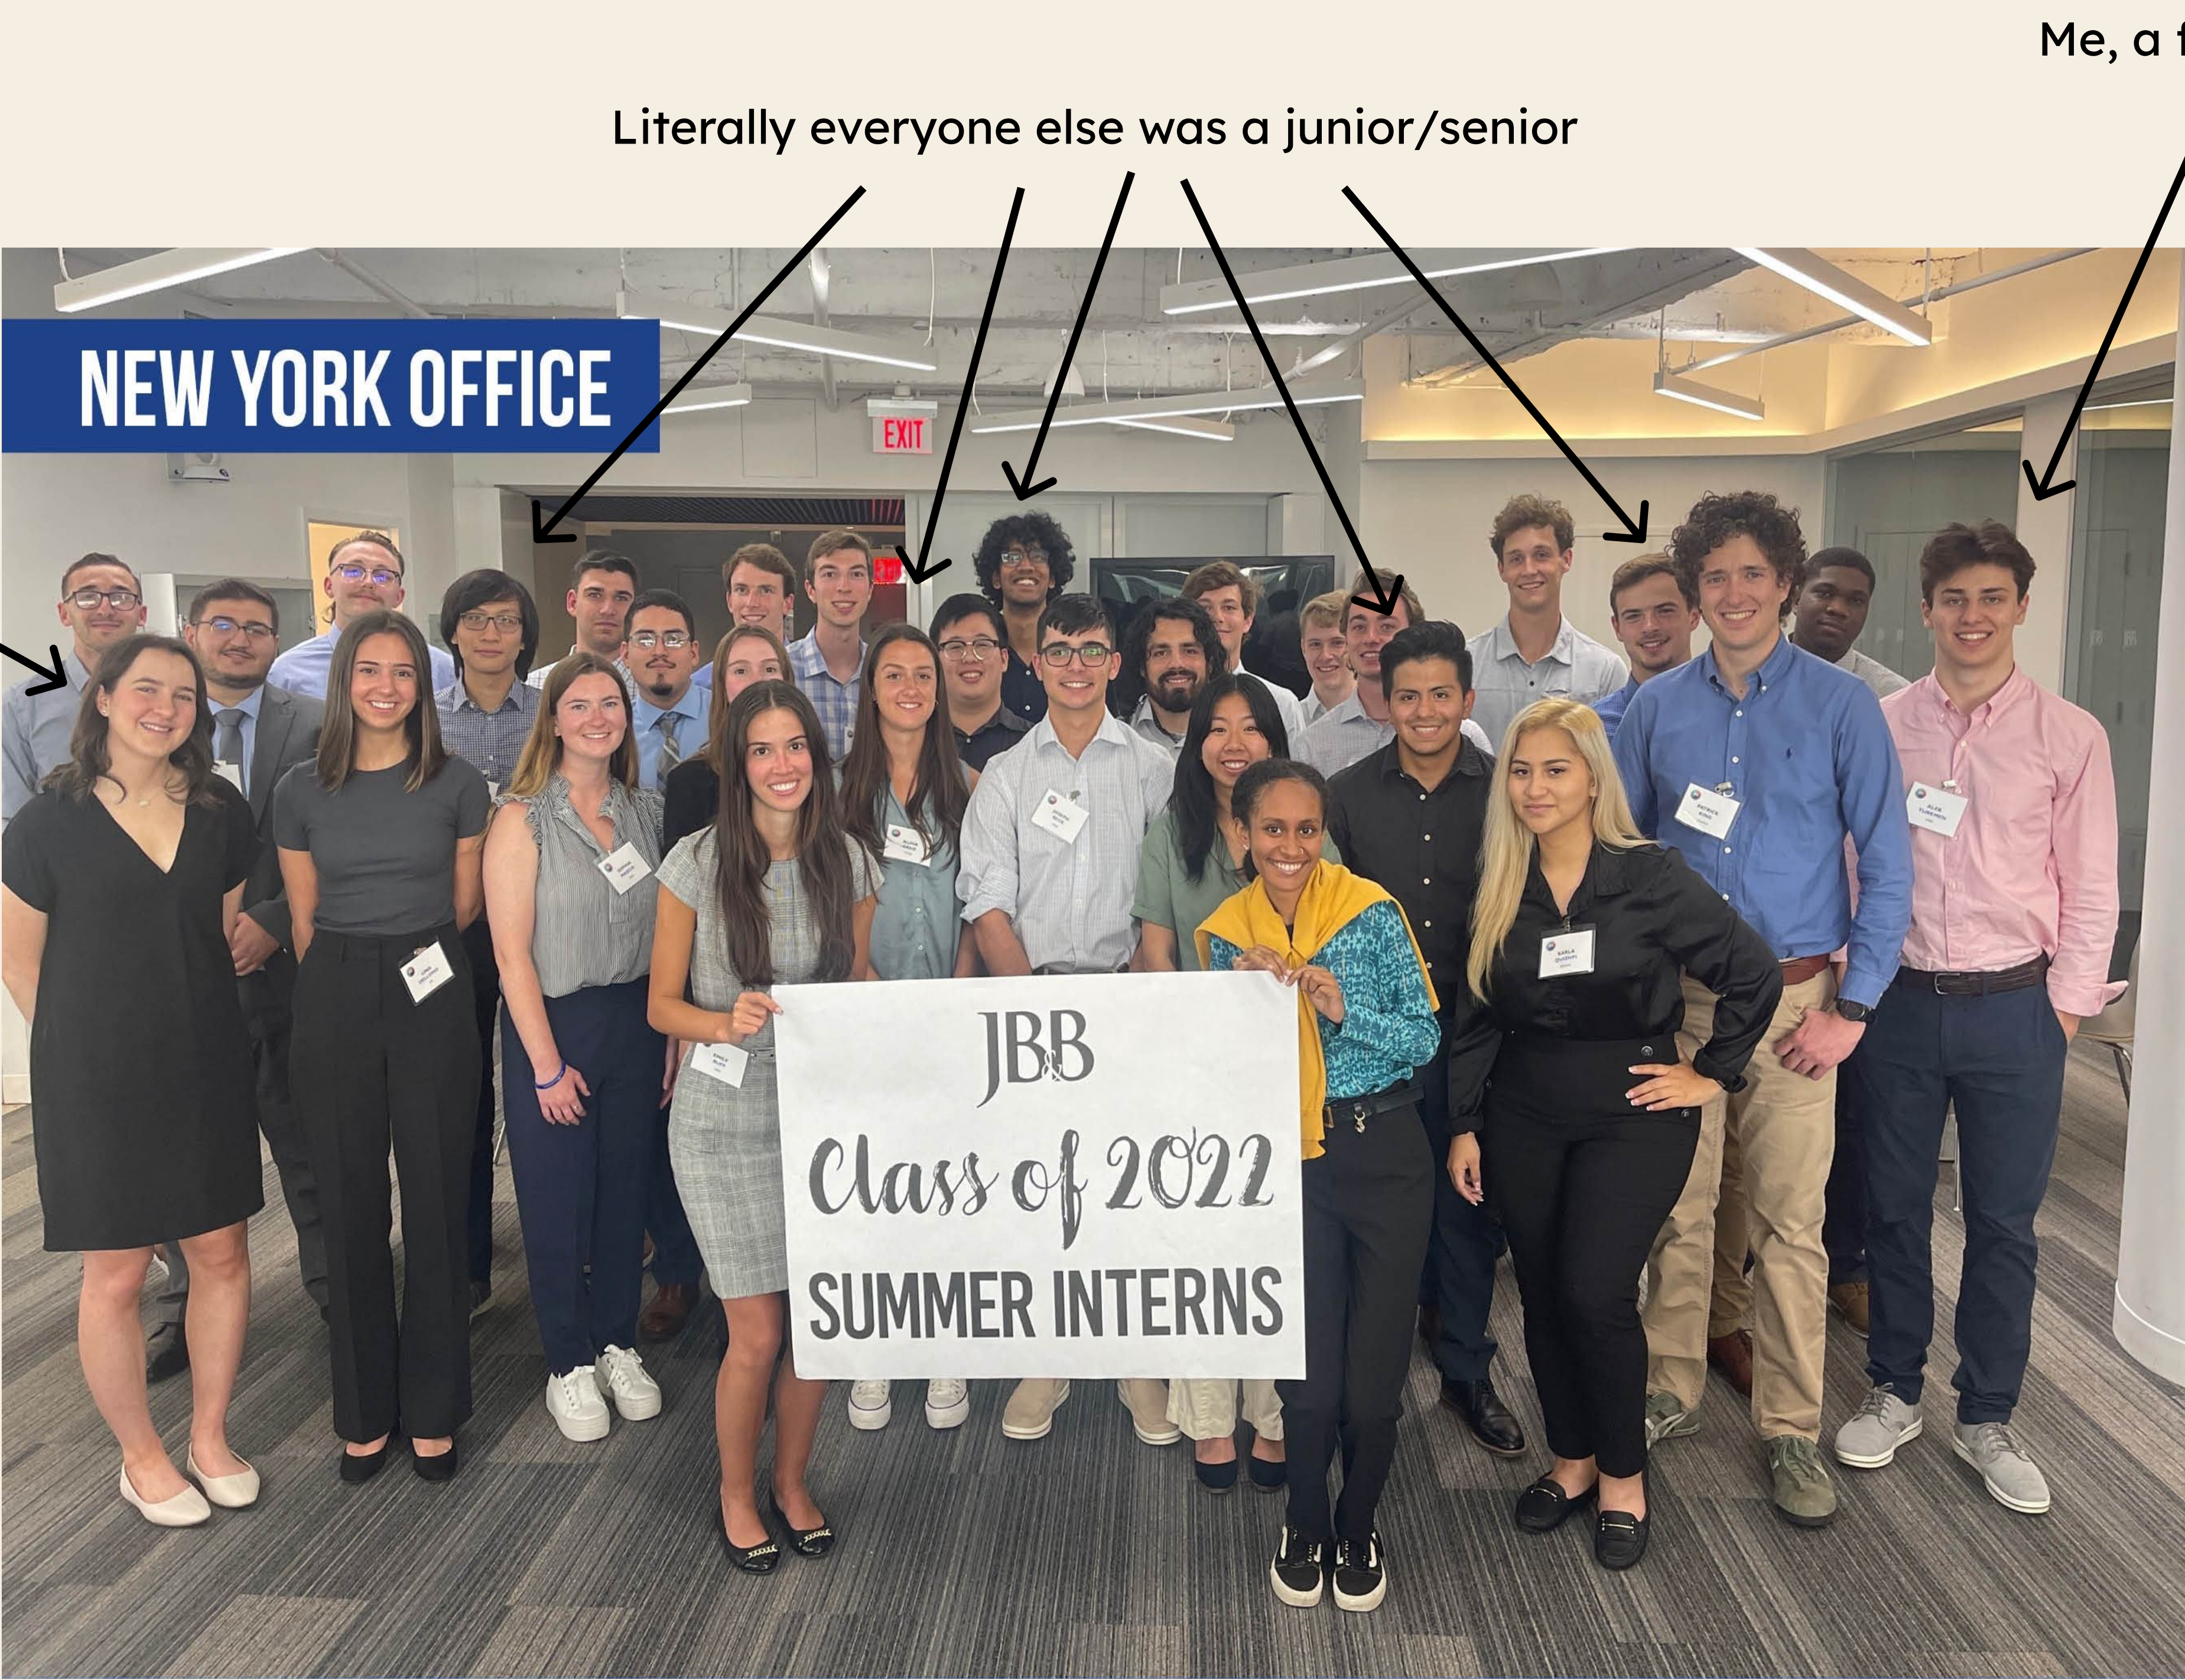

Finally, I asked for an internship on zoom

After our zoom meeting, he helped me get my foot in the door at JB&B and secured me an internship spot for that summer.
